7 advantages of ÖSD!

for **institutions**
for **examiners**
for **learners**

Excellent quality, new opportunities worldwide

By being recognized internationally, ÖSD certificates offer new opportunities; help with university admissions, job search and applications for residence permits. Being awarded with the ALTE Q-Mark guarantees maintaining the highest quality standards as well as international comparability of our exams.

Pluricentricity — three countries, one certificate

The standard varieties of the German-speaking countries (Austria – Switzerland – Germany) are considered equivalent and are taken into account in the exams. Whether ÖSD participants later stay in Austria, Switzerland or Germany: They will find their way around and be understood everywhere.

A wide range of preparation tools: analogue & digital!

Whether you are a teacher or a student – with our various tools, you can prepare for the ÖSD exam anytime and anywhere:
- Digital test training
- Online mock exams
- Practice materials
- Sample tests

Score innovatively – with a digital exam procedure

By implementing our digital exams, you will not only gain efficiency and accuracy, but also a clear competitive advantage. Rely on an innovative alternative to paper and pencil tests and design your exam procedure in a leading-edge way.

First-class qualification – online and flexible in terms of time

The ÖSD is not only committed to the qualification and training of ÖSD examiners, but also offers progressive training opportunities for teachers - a clear advantage for professional development.

Individual support, tailor-made solutions

Whether it is level tests, final exams or language-specific tests – we share our experience and offer personal support. Collaborative projects in the field of language teaching, learning and testing are also on our agenda.

Tailor-made pricing

Benefit from a price-conscious solution for your institution with flexible pricing, low annual licence fees and a welcome bonus in your first year.

Rely on a partnership that will take you forward!
